PSALM 121:1,2

Stony Brook is not just a prep school to us who have heard the call to climb high in the life of the spirit and the mind. It is the site of an arduous yet joyous accomplishment: the place where we have learned how to train mind and muscle for greater challenges that lie ahead.

We like to think of our years at Stony Brook as a mountain climb of continuous adventure along the trail of knowledge and faith that leads to the topmost pinnacle of human experience: fellowship with the Lord Jesus Christ.

Our guides along the sometimes dark and forbidding trail have given us the assurance that they have been there before us. They have reconnoitered the steep slopes of the climb, planned the starts and the halts; they have bivouacked with us in high places and shown us how to cross the glaciers and avoid the neves which would swallow us in defeat.

Our hope is that this book will serve to show you how we have fared on our way to the summit: Not every stage of the climb has been smooth going. We have got cold and wet and tired, and we have stumbled. But whenever we have faltered we have been sustained by the knowledge that He has been our unseen Guide, and that following "in His steps" we could not fail. To Him belongs the credit for whatever peaks we have scaled.

AN EXCELLENT FRIEND - whose sincerity and helpfulness are revealed in his ready smile.

AN EXCELLENT ADVISER — whose guidance is responsible for our entering so many fine colleges best suited to equip us for future usefulness and service.

AN EXCELLENT COACH — whose skill and enthusiasm for cross-country and track have consistently produced strong winning teams.

AN EXCELLENT TEACHER — whose courses in chemistry and physics are thorough and exacting.

AN INSPIRING CHRISTIAN GENTLEMAN — whose devotion to the Lord Jesus Christ sets a high standard for Christian behaviour.

With sincere affection the CLASS OF 1954 dedicates this book to MARVIN W. GOLDBERG.

### cross country

Coach Goldberg worked this year with what he said was the best cross-country team he has ever coached at Stony Brook. Every runner from the first day of practice till the last had great spirit which helped to produce a winning team.

Bart Cleveland and Gordon Scott were elected co-captains, and with plenty of spirit and fight the Stony Brook harriers went up against a surprisingly strong Poly team, suffering a defeat of 32 to 23. They suffered another defeat against the usually strong Riverhead harriers by a score of 33 to 22. But the spirit stayed at a high level and with consistent running by Cobb, Goodman, and Cleveland, backed strongly by Meulenberg and Scott, Stany Brook bounced back to defeat Trinity 21 to 40. Horace Mann was the next victim of the Blue and White harriers by a score of 23 to 32.

Never before was try League competition in cross-country so great. Then came the big race. The try League championship had been won by Stony Brook for three years in a row and Stony Brook was still the defending champion. On a cold Saturday afternoon made more aismal by rain and snow, the starting gun was fired at Van Cortlandt Park, New York. A strong Poly team came in the victor with Horace Mann and Stony Brook tied for second. The season closed with a victory over Southampton by a score of 24-33.

Although all of the races were not Stony Brook victories physically, every race was a victory spiritually. Thanks must be given to a great coach, Mr. Goldberg, for a fine season.

## varsity football

To all outward appearances it would seem that the Stony Brook football team had a poor season. But to those of us on the team the season was a great victory in spirit and fight which began back in September when a lot of fellows showed up for early practice.

We opened this season with two great surprises for our opponents a spread formation and an immense amount of spirit. With little Barry Vaughn at quarterback, we won the first game of the season by trouncing Concordia 19-7. Owing to our small size, we dropped the next game to Poly, and when we traveled to Horace Mann it began to look as though we had given up. Then, with a resurgence of great spirit, we came back to give Trinity a good fight which took away some of the bitterness of a loss. In this game we lost our big little man, Barry Vaughn, who was put on the sidelines for the rest of the season with a leg injury.

In spite of a deficit in height and weight, we soon let St. Paul's know that they were in a football game, and as time wore away and the weather turned colder, we seemed to be regaining our power in spite of the Northport defeat. On November 14, having everything to gain and nothing to lose, Stony Brook faced Riverdale on home grounds. This team hadn't been beaten in 31 consecutive games. With Bill Strong in the excellent playing form he displayed consistently throughout the season, and with our ever spirited team behind him, we gave Riverdale's team a mighty rough time, holding the score to 13-7. This near upset of the Ivy League Champions added luster to our meager win-loss record.

## the blue and white

The Blue and White, Stony Brook's journalistic laboratory, strives for novelty in a community where news travels fast. The staff, composed chiefly of members of the junior class, has this year scaled many of the peaks which have stopped its predecessors. Well-timed news stories and thoughtful features brought regular enjoyment to us during our climb. At times the staff scooped the local papers with sports specials.

# photography club As a result of last year's work

As a result of last year's work the Photography Club obtained a very satisfactory dark room. This year Mr. Harto and his boys have experimented with various methods of shooting, developing, and printing pictures, all of which should be useful in future reconnaisance work for RES GESTAE and the Science Club.

During the football and basketball seasons the Audio-Visual Club provided our spectators with rousing music and running comments on the games. The members learned how to make effective use of the many electronic devices which the school has supplied. Plans are materializing for setting up a school radio station which we hope will be a reality in the near future.

Once again under the direction of Mr. Bisgrove, the Glee Club contributed welcome musical relaxation along the route from September to June. Its rendition of "Be Kind To Your Web-Footed Friends" before the St. Paul's game will be recalled as a highlight among happy novelties in the year's football pep rallies. Out of this club was formed a quartet which supplied Sunday evening chapel services with special music.

#### SEPTEMBER

- 8 The mighty pig-skinners return. "Leave your false teeth in a glass, and hit that dummy with your overweight frame!"
- 12 Popcorn at Mr. Fenton's. Wrestling in Lee's room afterwards, till Coach Fenton decides to ref.
- 16 Lee is rudely awakened by Mr. Johnson in solid class.
- 17 Coed beach party this Sat. night. Cobb asks: "What can ya do at a beach at night?"
- 19 Neat party, Oogie entertains. Some of us go beserk afterwards. (Steve, your car holds ten nicely.)
- 21 We learn to boil water in chem class, "The Rock" wants to know where it goes after it's cooked.
- 22 Mombo Bob and his Jungle Five enchant 3rd period studiers with exotic calypso numbers.
- 25 Seniors in protest. Mr. Moss forgets to come to Bible class.
- 26 Cliff plows up gym chairs by dashing headlang through the darkness.
- 28 Whole football team limps toward opening game Saturday.
- 29 Jake harnesses fly in English. Another slave for Hegeman's clean-upers, captain?
- 30 After lights out, "Taps" is heard in Hegeman.

#### **OCTOBER**

- 1 Ron introduces the modern mode in ties. The seniors all model them at supper.
- 3 Spirited Bruin grid-ironers roll over Concordio in opener, 19-7.
- 4 Gam display in the village as Phil and Steve don Bermuda shorts.
- 5 Brook's teams make ready for Poly.
- 9 Beauties invade campus. Bible interrupted by roaring senior anlookers as chicks patrol Chapman Parkway.
- 10 Nervous Bruins bow to smooth Poly C.C. and football squads.

- 11 Oog whips up a spur-of-the-moment monologue and Phil's laugh again wakes the villagers.
- 12 Well, well, Mierop can whistle through his nose.
  Congratulations, Hal!
- 13 The third-floor boys turn to soaks as Bernie's cider ferments. Come and get it boys! It's spiked with mold!
- 14 Everybody smiles prettily. The photographer is the bird. Varsity harriers can't seem to whip Riverhead, J.V. wins.
- 15 Day of rest for gridmen. Tomorrow: Horace Mann, with a free weekend afterwards to recuperate.
- 16 Horace Mann beats Bruins 20-2.
- Have a good time this weekend, boys? Hands on hips, masters greet the "ever unpunctual three."
- 19 Look out boys! Undies is again on the rampage. Today he's heaving golf balls and yelling "FORE"!
- 20 Teams turn ferocious and aim at Trinity.
- 21 Football practice extends on into the night. "That's O.K., boys. There's a full moon."
- 24 Harriers whip Trinity, but Bruin gridmen blow thirteen-point lead and bow to heavy Trinitarians.

- 26 Blue Monday is bleached some by C.C. victory over Horace Mann.
- 27 Rain, rain, rain.

1 "Come on, Walt, dust your radio's innards!"

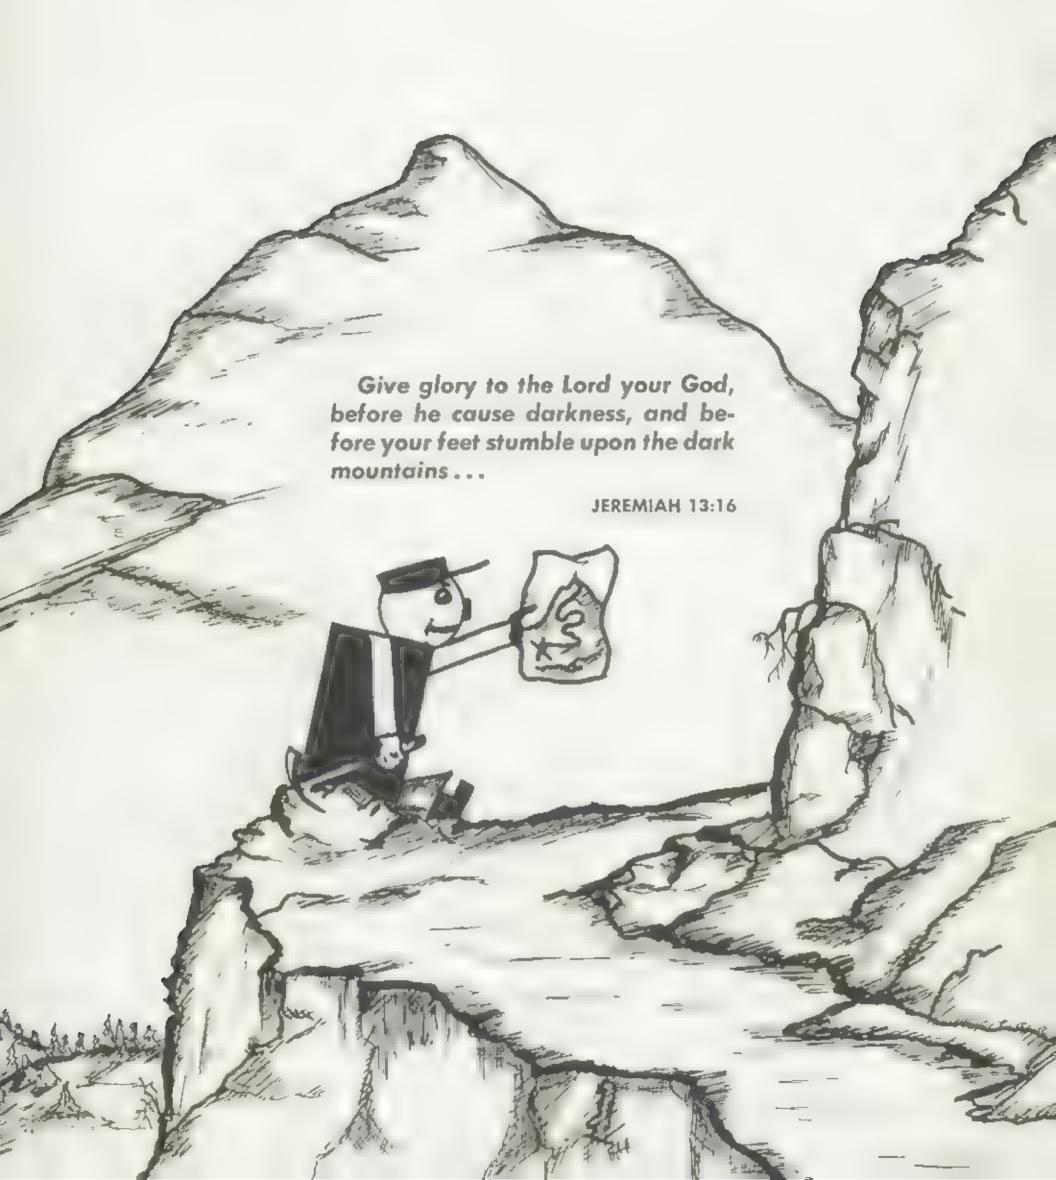

- 3 Clever boy scout ties Phil to his seat in Bible.
- 4 Paper clip war declared.
- 5 Mr. Curtis makes bid to buy back all clips for a nickel a box. Bargain?
- 6 Mr. Kerr gets a flat. Everybody gathers 'round.
  "C'est domage."
- 7 Footballers fall victim to Northport. C.C.'ers fight hard in Ivy League, pull in second. "Nice work, boys!"
- 9 All right, you guys, brace up your bones. We meet the champs next week.
- 10 Brook runners finish season with impressive victory over Southampton.
- 12 The Oog is invited to leave history for making a "Rosey" remark.
- 13 Senior movie censored. Seniors say, "How about Snow White and the Seven Dwarfs"?
- 14 Against overwhelming odds, the game Bruin gridders scare champ Riverdale stiff today. The fighting Blue excels defensively and holds Riverdale to a 13-6 victory. Norm Cooper disables his opposition, one by one.
- 15 T.V. for Hegeman's beautiful lobby?
- 16 Football team's last meeting, Bill Strong elected captain.
- 17 "The Rock" pops up with another neat one in P.A.D. "But sir, do we still have a U.N.?"
- 18 Nobody's crying in the Chapel anymore. Milk and cookies afterwards make sitting still worth while.
- 19 When one of our more intellectual boys asks why we don't have horseback riding at The Brook, Mr. Curtis says there's a reason. Undies supplies it. "No horses!"
- 21 Boys wait with bated breath for vacation.
- 23 Home-made racket on third floor as seniors clamar at 10:30 p.m. It's not an avalanche, pal, 'tis but our mature upper classmen stamping on the walls with their feet.
- 24 Vacation comes! Oh Joy!!
- 30 It's over! Oh woel "What's with the lipstick on the collars, boys? Have mercy on the ole Blue Point."

Wrestling proved to be the brightest spot in the arduous athletic phase of our expedition. The grapplers emerged from the trial in a three-way tie for first place in the lvy league. It was a long, hard season dotted with many extra-League bouts along the route.

To climax a thrilling season the matmen pinned first-place honors in the newly created lvy League Wrestling Tournament, winning by the slender margin of one point.

Furthermore, several of our wrestlers, including two seniors, journeyed to vie for medals in the famed Lehigh Tournament. The seniors, co-captains Bill Strong and Bob Stevenson, came off with two second places, a fitting capstone to the earlier victories.

### varsity basketball

A green squad set out an the trail of high scores in basketball even as the football season was completing its leg of the climb, but the rigours of the winter weather spelled trouble for too long a period. Not only did the squad lack experience: it was deficient in height, an essential to good work on the court in any season. The fact that the tallest man on the team was six-two, even in a crew cut, proves the point.

What was lacking in height, however, proved plucky in spirit, and the string of losing scores doesn't indicate the tremendous volume of valuable experience the squad, most of them lower formers, gained from the season. Among the brighter spots in the line-up were John Percy, who went on to snag a position on the second-string lvy League team after scoring forty points in the last two games, and Keenan Lee, the big rebounder, who eventually co-captained the team with Percy

Spreading the gospel through tracts.

What in recent years had been the Tract Club, this year became the Christian Activities Club because the scope of its activities was wider than that of handing out tracts. Its members have taken time out from academic mountain climbing to preach the gospel in churches and communities from Suffolk to Westchester. In holding street meetings and distributing tracts to thousands, these boys have gained higher spiritual ground.

### DECEMBER

- 5 Athletes sup in style as turkey fills all bellies.
  Vanderveer trophy goes to fighting Bill Strong.
- 6 Smithtown five vanquishes blue.
- 7 Slight lapse in this journal, for today we go to the censor.
- 13 Lobby decorated with co-eds for little Christmas brawl. Many, many cookies!
- 14 Oh day of ceaseless tribulation! Oh despair! This Monday is made very blue by a wicked solid

- test. Dark Age reigns as Jake turns off lights during a history lecture.
- 15 Grapplers romp over Huntington while courtmen bow to Cadets.
- 16 Vacation nears. Many chops are licked, and from subjects wandering minds do stray.
- 17 Exit majority of school.
- 18 Exit we bad boys.
- 19 Some of the naughtier boys will stay to greet Santa Baby.

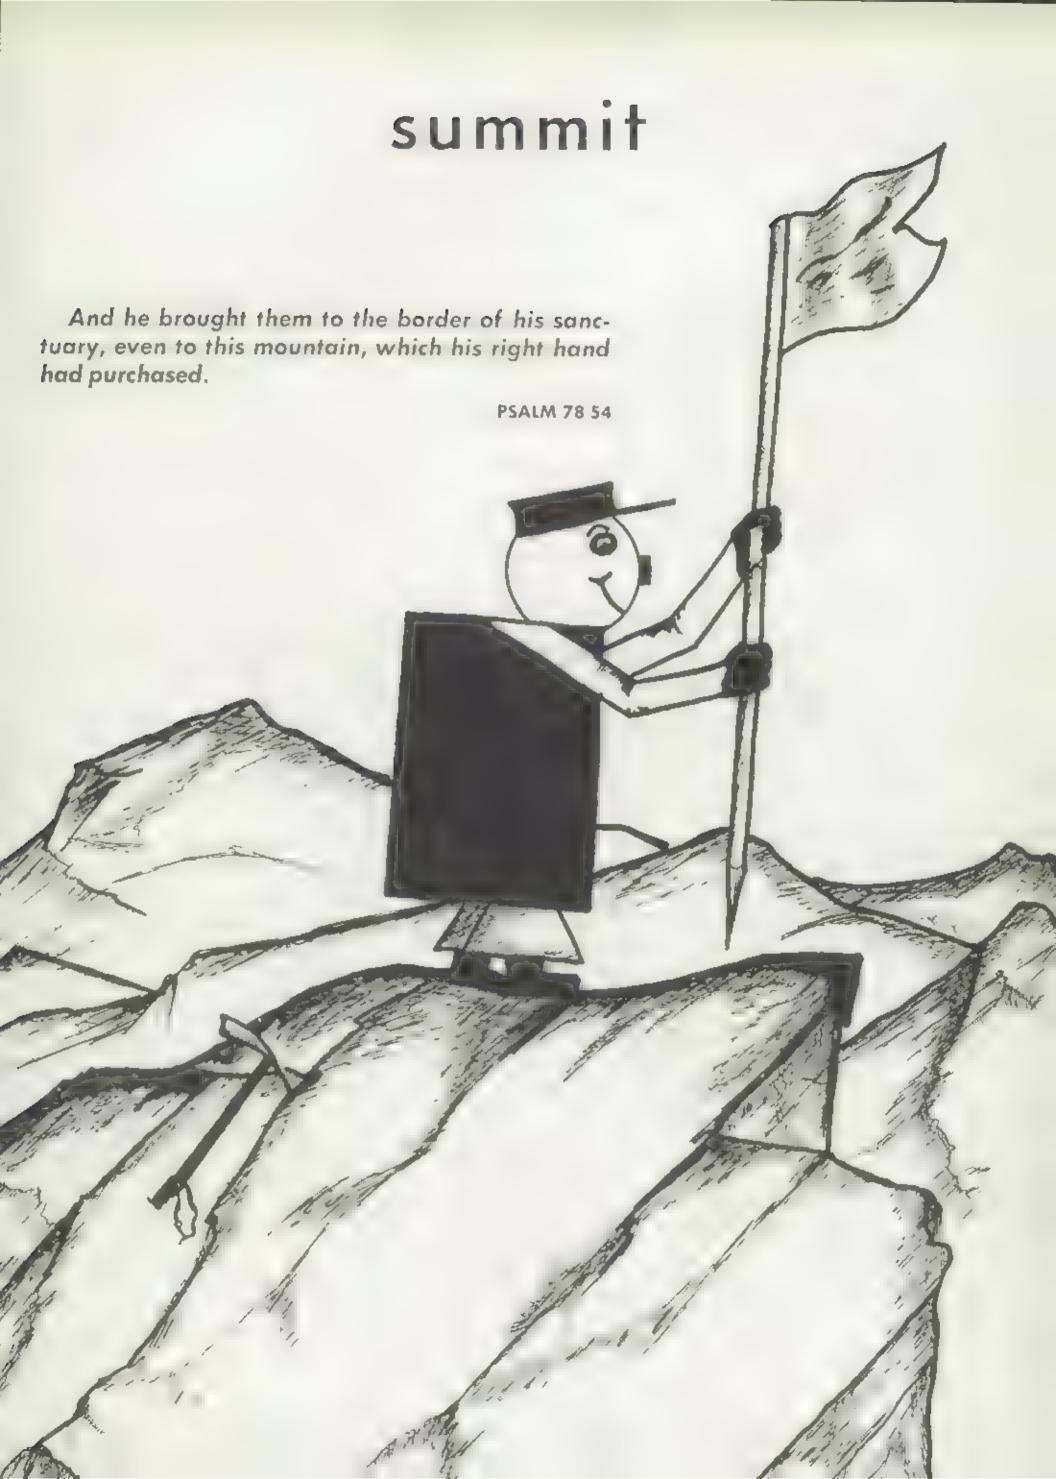

### JANUARY

- 5 Seniors return dutifully, "Oog" and Cliff retrieved their "Dear John" girls, and Steve is fit for the altar.
- 6 Scholars descend from the "vacation clouds" to meet eight subjects today.
- 7 Phil finds reffing unsatisfactory, Powerful Bullets cause intramural league squawk: players are shuffled. Phil becomes a ref.
- 8 Carlson says, "I'm late because I had to see a horse about a man." Mr. Rosenberger replies, "See if you can get the horse to excuse you." (Class is held up twenty minutes until laughter subsides.)
- 9 The College Boards are tough, but the women who suffered there with us alleviated the tension. Varsity tramples aged Alumni in "basketbrawl."
- 10 Plenty of snow, some of which becomes compact guided missiles between rooms after lights.
- 11 Usual announcement about snowballs is delivered by Dr. Gaebelein, recently returned.
- 12 Mr. Gould hears raucous sounds after lights—
  "All right, you guys, who's got the machine
  gun?"
- 13 Basketeers cry wae as snow keeps Poly away.
- 15 Brooks trim Horace Mann on the mats in lvy meet.
- 16 Northport Tigers down their hosts by a considerable score. Snow still in the air; more than on the ground.
- 17 Some of the "buddies" are so enticed by basket-ball that they play long after the curfew. At about 10:20 Mr. Gould decides to stop at the gym and watch the festivities.
- 18 Next week the big exams come. Tune up your gray matter, boys.
- 19 Gale is removed again from U.S. History.
- 20 Ivy League opener: Brooks lose to Trinity 63-81. Brook matmen flatten St. Paul's in second league meet 28-6.
- 23 Many girls join us for dinner and evening. Incidentally, court men win over Hackensack in a thriller.
- 24 Everybody crams; we face exams on the morrow.
- 25 History exam this afternoon. A la rugged!
- 26 The free-weekend-to-come drives mentally fatigued seniors through fiendish exams.
- 28 The grand finale—solid and Bible exams of a most ferocious sort.
- 29-31 Wow, but it's good to be free!

#### **FEBRUARY**

- 1 Pipes rattle machine-gunishly in the night. Mr. Gould declares war on the senior class.
- Dr. Gaebelein quells traditionally riotous senior
   Bible class.
- 3 Bruin cagers bow to superior Riverdale five. Better luck next time, Blue.
- 5 Ron and U.S. history part company this aft. Third floor goes to pasture during E.S. Mr. Hershey is astounded by a capella "moo" choir lead by Ron and Cliff.
- 6 The Cagers migrate to St. Paul's, but are bounced back by a rangy Saint five.
- 7 One of our hurlers calmly penetrates a third floor light globe with a hazel nut.
- 8 Nil today-nobody even got booted out of his-
- 9 Grapplers meet upset at South Huntington tonight.
- 10 The varsity returns from Poly forlorn—another loss, another day of woe.
- 11 The Battering Bullets, led by Capt. Cliff and Jake, cop the first-round title in the outdoor league—undefeated!
- 12 Brookers again don the long face, characteristic of defeat. Is this the introduction of a new tradition—lose—lose—lose?
- 13 Brook matmen smash tradition as they flatten Poly in the final match. Stevie is the hero of the day. The wild crowd hits, the ceiling as the wrest-ling crown moves nigh our trophy case.
- 14 Extra big mail delivery 'cause of old St. Val. Loving spirit not possessed by Port invaders. Some of the attacked growl gruffly from behind locked doors.
- 15 Privileges during study hours are bestowed upon squawking seniors. Now we can waste our time legally.
- 16 Our own Bruin Cagers come through with an upset over La Salle cadets.
- 18 We may now introduce a word of most recent discovery: "Vericle," the product of the chem lab.
- 20 Mat men lose undisputed possession of league lead as they lose to Trinity in a heart-breaker. Now it's a tie—but on to the tourney!
- 21 General riot on the third floor. Two holes in the plaster are discovered. Did Mr. Fenton push Siamese twins through?

"Poss the mustard."

- 22 Merry Washington's birthday, boys! Everyone is sure George would be up in arms if he knew we don't get the day off.
- 24 History class takes on Alaskan characteristics as seniors turn Eskimo: all the windows open—all the heat and jackets off. Science fair is a great success. Many peachy exhibits.
- 25 Clamor for snacks during study hall raises the roof as the third-floorers roar for rations.
- 27 Wrestlers take Ivy Crown! Strong, Clary, and Towlen ore champs.
- 28 Horry Farouk becomes upset at antics of seniors in class meeting—gives them up to immaturity.

#### MARCH

- 1 Let's hope you guys have your college applications in. We know they'll be glad to have us, but let's tell 'em what they're gettin.
- 3 O'Rourke, the bellowing songster, reveals that he has been taking voice lessons. It gratifies us deeply to know that these raucous sounds come from trained cords.
- 4 Bennie Moss makes a habit of scaring away the visiting prospective students. When the visitor sees Ben, he screeches: "Mommy, take me autta here!"—and other choice comments.
- 5 The dashing younger generation is humbled by the venerable teaching squad in the annual allstar-faculty classic. It was a close one, thought
- 6 Harry James Cobb shatters Hegeman window panes with a trumpet concert.
- 8 Twin peeping tomcats attentively soak in the proceedings of chem class. No doubt the representatives from the alley stashed away more than the students.
- As vacation and spring approach, veteran second sacker Caron announces his resignation from the national sport.
- 10 Tomorrow is the day of bliss!
- 17 Jake and the final history class before vacation part company: the vile villain sneezed! The woes of all are over! We are free for weeks and weeks!
- 30 The sad day of return is this. It seems that our returning is purely physical. The typical senior is still at home in the moonlight.

Varsity Football 5; Football Manager 6; Wrestling 5,6; Golf 5,6; Chess Club 5,6; Art Class 5,6; Golf Club 5; RES GESTAE 6; Glee Club 6; Science Club 6.

"Army" came to us in his junior year from the State of New Jersey. His outstanding physical characteristic is that his feet are like those of a duck. You will have to go a good distance to find a more likeable fellow than Army. Besides maintaining an honor roll average, he is one of the better golfers in the school. His room is the site of many bull sessions on his favorite subject, girls.

#### DONALD F. CARLSON

J.V. Football, Mgr. 3; Middlers 4; Cross Country 5,6; Track 3,4,5,6; Blue and White 3,5; Audio-Visual Club 3; RES GESTAE 6.

"Donkey Don" came to Stony Brook as a freshman. His popularity has increased every year because of his congenial spirit. Don may be found in the midst of any bull session, and he is usually talking about his experiences at home in Brooklyn, Pennsylvania. As a member of the cross-country squad, he always kept the team in a jovial spirit. He has been working hard recently, earning pretty good grades.

If you're looking for a likeable, clean-cut fellow, Joe is your man. He is one of the oldest day-boy members of our class and the only one who can boast of having started in the seventh grade here at S.B. He has been one of the better athletes of the class, contributing a great deal to this year's football squad. It was here that Joe found Christ as his Savior, and he hopes to go into the Lard's work after graduation from college or Bible School.

### A. BARTON CLEVELAND

Cross Country 5,6; Varsity Basketball 5,6; Track 5,6; Advisory Committee 6; Athletic Council 6; RES GESTAE 6; Lettermen's Club 6; Science Club 6.

"Bart" is a typical Stony Brooker. He is fun-loving and always wears a smile on his face. Since he hails from the thriving old whaling part of Sag Harbor, he is within food-receiving distance of home. His room is an everybody's visiting list. Besides excelling politically as our class president, he is a valuable runner on our C.C. and track teams. He is also one of the starting five on the basketball team. Possibly his greatest contribution to Hegeman Hall's enjoyment has been the recording and playing of songs.

### HOWARD E. COBB

Cross Country 5,6; Wrestling 5; Track 5,6; Christian Activities Club 5,6; Rifle Club 5; Deputations 5,6; Science Club 6.

Cobb, a native of his beloved New Jersey, came to the Brook in his junior year. "Cobbie" has gained many friends and established himself as a regular Christian fellow. He keeps everyone in a hilarious mood by producing "neat" statements at opportune moments. His ability in cross-country and track has been an asset to both teams. His musical ability with the trumpet adds to many chapel services and livens Hegeman Hall.

Exclamations of joy arose when the word was spread that Bob would return for his senior year. His freshman and sophomore years were spent with us but his junior year slipped away in another school. Bob possesses all-around good humor and is somewhat a jack-of-all-trades. He is a dependable singer, a second Benny Goodman on the clarinet, and a good athlete with a particular talent baseball-wise. Bob did much to help the cross-country team in its successful season.

### STEVEN C. FUCHS

Varsity Football 6; Varsity Basketball 6; Track 6; Spanish Club 6; Rifle Club 6; Science Club 6.

Coming to us in his senior year from Jamaica, Steve became popular at once with everyone. At the beginning of the year when he was a day boy, his neat Plymouth could usually be seen filled with girls. When he became a boarder in hallowed Hegeman Hall, we all missed his transporting abilities. Steve is a real fighter in basketball and football. His ability to mix well promises a successful career.

Walt, a fugitive from Queens Village, is one of the founding fathers of our class, having started in his freshmon year and plugged steadily through. Adept both in studies and in co-curricular activities, he has piled up a long string of services to Stony Brook, all of which have contributed to his wide-spread popularity. His performance as Blenkinsop in Refund will long be remembered.

### BERNARD H. HENN

Varsity Football 6; Varsity Basketball, Mgr. 6; Track 6; Golf Club 6; RES GESTAE 6; Glee Club 6; Science Club 6.

Ben came to us from the well-known town of Huntington in his senior year. He has won many friends through his jovial spirit. Instead of dueling, Ben fights his grudges out in pingpong games. He contributed much to the wonderful spirit of the football team this year, and he has maintained a fine Christian testimony as well.

Any time a nasty remark is made about Brookline or Boston while "Rocky" is around, he pipes up and lets the fellows know that Brookline is the best place in Mass., and Mass. is the best and most scenic state in the Union. Rock is one of our better students, even though he does talk most of evening study away when his roommate will listen.

### PHILIP T. HOFFMAN

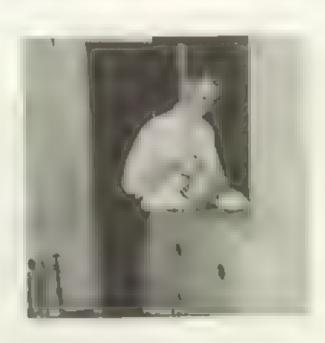

Varsity Football 6; Varsity Baseball 6.

At the beginning of the school year Phil established himself as owner of the loudest laugh in the school. Reverberating through the halls of Hegeman, his resonating voice could be heard miles away. But this was not his only achievement, for Phil's driving work as a backfield man helped the team greatly during football season.

WALTER D. JACOBSON

Cross Country 6; Varsity Football, Mgr. 5; J.V. Basketball 3,4; Wrestling 5; J.V. Baseball 3; Golf 4,5,6; Rifle Club 3,4,6; Audio-Visual Club 3; Golf Club 4,5,6; Science Club 6; RES GESTAE 6.

"Jake" is one of the old timers here at school. Coming to us in his freshman year, he made friends very rapidly. Jake may be found every morning ordering his crew to keep the senior's homestead, Hegeman Hall, clean. In the spring of the year Jake's fancy turns to golf. He is one of Mr. Fenton's best golfers. In Hegeman Hall's bull sessions he may be found telling everyone about his home in Flushing, L.I. You can count on one of Jake's quips in every one of Mr. Rosenberger's history classes.

### CLIFFORD L. KERNOCHAN

Varsity Football 5,6; J.V. Football 4; J.V. Basketball 5; Varsity Baseball 4,5,6; Photography Club 4,4,6; Dramatics Club 6; RES GESTAE 6.

"Cliff", a very much liked fellow on the campus, comes to us from Port Washington. He may usually be found sacking or having a brawl with a fellow senior. Along with hilarious times on the campus, he enjoys scholastic success. He has also played as a burly end on the football team, and his fine pitching ability contributes to the baseball team's victories.

### KEENAN LEE

Varsity Football 5,6; Varsity Basketball 5,6; Track 5,6; Science Club 6; Lettermen's Club 6; Outing Club 6; Rifle Club 5; Executive Committee 5; Glee Club 6; RES GESTAE 6.

"Buzz" hails from the nearby village of Huntington. Besides being a leader in the school, he is outstanding in athletics and ranks high scholastically. Fast and strong, he has been one of our best backfield men on the football field. In basketball he is a great asset to the team; and as a track man, Buzz is about the best all-around performer on the squad. Although he is the quieter type, he loves a great time and enjoys brawling once in a while.

#### P. SVANTE MACRIS

Cross Country 6; Track 6; Art Class 6.

As our foreign exchange student from Greece this year, Svavnte has adapted himself well to American school life. Upon entering Svante's room, one finds him avidly reading a book prescribed by P.C. Whenever in a bull session, Svante tells of his swimming experiences in Greece, and he bemoons the fact that Stony Brook has no swimming facilities. We wish Svante the very best as he furthers his education in Sweden.

#### RONALD M. LINGLE

Varsity Football 6; Varsity Basketball 6; J.V. Basketball 5; Track 5,6; Chess Club 6; Dramatics Club 6; Advisory Committee 6; Executive Committee 6; Student Organization President 6; RES GESTAE 6.

"Oogie" gained a slew of friends as soon as he stepped onto the compus in the middle of last year. He spends the fall getting into shape for basketball. Definitely one of the funniest fellows on the campus, he keeps us all in stitches. By his fine Christian testimony, Oogie exercises a good influence on us all.

### HAROLD P. MIEROP

Varsity Football 6; Wrestling 5; Varsity Baseball 6; J.V. Baseball 5; Audio-Visual Club 5; Rifle Club 6; Deputations 5,6; Science Club 6.

"Hal", a Christian with a good testimony, came to us fast year from Collingswood, New Jersey. He may be found in his room relaxing on his bed, listening to records and writing letters. He is a ham radio operator who loves to tinker with his transmitter. On Sunday mornings Hal finds it pretty tough to get out of the sack, and by the time he comes down to get his food, he usually has a gripe about the amount his classmates have left for him.

### RICHARD MEULENBERG

Cross Country 6; Varsity Basketball 6; J.V. Basketball 5; Track 5,6; Science Club 6.

"Mule" came from the state of Georgia to join us in his junior year. When he isn't sleeping, you may find Dick reading. It is customary to see the Mule getting up at the five-minute bell and madly rushing to breakfast. Besides proving his ability in both cross-country and track, Mule has done well in the field of science, which may prove to be his life's work.

### BENJAMIN F. MOSS, III

Cross Country 5,6; J.V. Basketball 4; Wrestling 5,6; Track 4,5,6; Christian Activities Club 4,5,6; Christian Association 5; Rifle Club 6; Glee Club 6; Science Club 6; Deputations 6; Advisory Committee 6.

Ben is one of three Huntington representatives in this year's senior class. Whenever a party is coming up, many of the fellows ask Ben if he can get dates for them; as a rule Ben comes through. In the cross-country race at Horace Mann, he had the bad fortune of breaking a small bone in the back of his leg. As head of the Christian Activities Club, Ben is very much alive in Christian service. We are sure Ben will go places with his strong testimony.

WILLIAM R. O'ROURKE

Varsity Football 6; J.V. Football 5; Middlers 4; Wrestling 5,6; Basketball 3; Track 4,5,6; J.V. Baseball 3; Photography Club 3,4,5,6; Audio-Visual Club 3,4; Blue and White 5; Christian Activities Club 4,5,6; Christian Association 5; Outing Club 6; Science Club 3,6; Church Board 5,6; Deputations 4,5,6; RES GESTAE 6; Executive Committee 3.

"Bill" came to us from the "show me" state of Missouri, but he later moved to Chicago, where he makes his home now. As a freshman, Bill distinguished himself by becoming head of his class. In spite of a broken hand early in his senior year, he bolstered the football team by his playing and spirit. Stony Brook is the place where Bill accepted Christ as his Savior, and he is one of the leading seniors in Christian activities. He was elected chaplain of the student organization in his senior year.

### PETER A. PSOTA

Midget Football 2; Midget Baseball 2; Tennis 3,4,5,6; Blue and White 5; Biology Club 5; Science Club 6; Music Appreciation Club 4.

"Pete" is a day boy who has been with us ever since the eighth grade. One of the first things one notices about Pete is his quiet manner. His ability to get dates for some fellows is very helpful indeed. Although Pete is not very active in fall and winter sports, he has made friends with all through his amiable personality. Pete is also quite the boy when it comes to playing tennis.

### GORDON F. SCOTT

Cross Country 5,6; Track 5,6; Lettermen's Club 5,6; Secretary of Student Organization 6; Science Club 6.

"Gordy" is one of our day boys who likes to arrive every day in his gray Plymouth. Although he is quiet, he enjoys navigating his car at supersonic speeds. This year Gordy was co-captain of the cross-country team. His main interest is track, and he truly excels in the 440. Although taking six subjects this year, Gordy maintains a good scholastic average.

### J. ROBERT STEVENSON

Varsity Football 4,5,6; Wrestling 4,5,6; J.V. Baseball 4; Track 5,6; Shop Club 6; Lettermen's Club 6; Science Club 6; Glee Club 6.

From quaint Old Greenwich, Connecticut, comes our awn "Tiny" Stevenson. Stevie has been an outstanding line man on the football team for the past two seasons. He may be heard strumming his guitar or banjo in his spare hours. "Tiny" has been with us for three years, and we can't remember when he hasn't worn a smile.

WILLIAM S. STRONG

Varsity Football 5,6; J.V. Football 3,4; Midget Football 2; Wrestling 3,4,5,6; Midget Basketball 2; Tennis 6; Track 4,5; J.V. Baseball 3; Midget Baseball 2; Choir 2; Christian Activities Club 3,4,5,6; Shop Club 3; Audio-Visual Club 4,5; Blue and White 4,5; Church Board 5,6; Outing Club 6; Lettermen's Club 6; Christian Association 5; Executive Committee 5; Science Club 6; Deputations 4,5,6; Stewardship Committee 3,4; Advisory Committee 6.

"Bill" is one of the old timers here at Stony Brook. A resident of the fair state of Connecticut, he came here as an eighth grader, and has since then been popular with the fellows in his class. A good athlete and a fine competitor, he excels in both football and wrestling. This year he won the coveted Vanderveer Trophy for fine sportsmanship in football. Bill is a very fine Christian, who always may be found doing something for the Lord. He is certainly a great asset to this year's senior class.

### HORACE Q. TOWLE

Varsity Football, Mgr. 6; Wrestling 5,6; Track, Mgr. 6; Christian Activities Club 5,6; Choir 5; Stamp Club 5; Lettermen's Club 6, Blue and White 5; Science Club 6; RES GESTAE 6; Executive Committee 6; Deputations 5,6.

"Horace", who comes to us from the well-represented state of New Jersey, is the calm, cool, and collected type. In fact you might say in fun that he is pretty well-collected around the waistline. Besides being an A-1 wrestler during the winter, he is an asset to our football and track teams in a managerial role. By upholding the standards of the school in every respect, Horace has maintained a fine Christian testimony.

### CHARLES P. UNDERWOOD

Rifle Club 6; Science Club 6; Shop Club 6; RES GESTAE 6.

"Undie", a native of Babylon, joined us in our senior year. Ordinarily very quiet, he whips right back when his roommate makes some crack about him. Whenever in a bull session, Undie is always speaking about old cars. A Christian with a good influence on all, Undie has made friends rapidly.

### DAVID L. WEBBER

J.V. Baseball 5; Cross Country 6; Varsity Baseball 6; Science Club 6.

"Dave" came to Stony Brook from Puerto Rico in the middle of his junior year. When not making model airplanes, he is generally studying U.S. History. You can always count on him to come up with some witty remark at the right time. Dave has proved himself to be a very able runner in cross-country.

#### DONALD C. WRIEDEN

Varsity Football 6; J.V. Football 4; Wrestling 5; Varsity Baseball 6; J.V. Baseball 5; Outing Club 6.

"Don" is one of our day boys who has been with us for a long time. He is very keen on U.S. History, maintaining a powerful average all the time. After lunch he may be found in Memorial Hall bossing all of the cleaning crew around. A worker in both studies and athletics, he boosted the spirited football team Stony Brook was so proud of this year.

"The Glory of the Bible is that, in a World of Destruction and Death, it shows us how to have Eternal Life . . . "

in a sermon commemorating the 84th Annual Presentation of Bibles by the AMERICAN TRACT SO-CIETY to the incoming class of Cadets at the U.S. Military Academy, West Point, New York.

Since 1825 this Society has proclaimed the truth of that statement

by publishing evangelical tracts pointing the lost to a personal relationship with the Lord Jesus Christ.

Over one MILITON tracts are published monthly. This is made possible because friends have caught the vision and share with us in our ministry. Write (without obligation) for samples of unusual tracts.
